

Saint Joseph The Worker Parish

March 25, 2026

Dear Parishioners,

I am writing to inform you about an exciting change we are about to make in our parish's online giving program. After much research, and careful consideration, we have chosen a new platform that we believe will be a real benefit to our parish community for several reasons. This new program is called ParishSoft Giving.

First, it will be easier for parishioners to access and simple to use.

Second, it will work seamlessly with our current registration and accounting programs, making it more efficient in the future, and freeing up time for the office staff to spend more time assisting parishioners, and supporting the many activities of the parish.

And finally, the new program will make second collections and Holy Day donations available online, helping us reduce the expense of printing and mailing envelopes.

Please note we will always have the envelope system available for those who prefer that method of giving.

Information about how to register for the ParishSoft Giving program will be provided after the Easter holiday. If you are using our current online giving program, "Vanco", we will be happy to walk you through the process of changing to the new program at that time.

Thank you for the many ways you support our parish and its mission. Your generosity, in whatever form it takes, is deeply appreciated and strengthens our parish. Be assured of our prayers and our gratefulness for your stewardship.

Sincerely in Christ,

A handwritten signature in black ink, appearing to read "Bishop Christian". The signature is written in a cursive style with a long, sweeping underline.

Bishop Christian
