

Saint Joseph The Worker Parish

March 25, 2026

Dear Parishioners,

Several weeks ago, I shared with you that we would be implementing the final phase of our facility renovation in the near future. This will be the redecoration of our worship space which will include painting, new carpeting and tile.

For several months, a Redecoration Committee has been working with a church architectural firm to plan for this major undertaking. We are now at the point of initiating the project.

Shortly after Easter we will move our Sunday Masses and other services into the church hall which will be set up and decorated as an interim chapel. We will have seating for 450 people, which will be more than sufficient to handle the attendance at our weekend Masses. The weekend and daily Mass schedule will remain the same. While we will experience some minor inconveniences, they will be short lived as our plan is to be able to return to our worship space by September. More specific details will be available soon.

In the meantime, I would ask you to pray for the success of this restoration which we undertake for the glory of God. It is fitting that it is taking place as we enter the 25th year of the building of the new church and the 71st year of the parish.

Sincerely in Christ,

Bishop Christian
